Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those from the 2019 Federal Election.

(2) 'Net Total Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.
